Cleaning and Hygiene Products That Don't Cost the Earth

TECHNICAL DATA SHEET

DIRECTIONAL THICK BLEACH – 02111

A clean smelling, powerful bleach for use in drains, toilets and on floors, keeping them odour free.

- ❖ Viscous liquid clings to sloping surfaces
- ❖ Use for odour and stain control
- ❖ Strong bleaching power

USES:

For general disinfection and cleaning of drains, toilets and floors. Kills slime and fungi.

DIRECTIONS:

Pour directly onto surface in lavatories and into drains. When used neat take care to mop up spillages and avoid contact with clothing.

For cold bleaching make up dilute solution and leave to soak overnight. Never pour neat Thick Bleach directly onto garments.

Do not transfer into any other container. Do not use on silk, wool, coloured fabrics, leather or synthetic or specially treated materials. Do not use on enamelled or plated articles or neat on metal surfaces. Keep away from carpets and upholstery. Do not remove label until contents are finished. Use only as directed.

TECHNICAL SPECIFICATION:

Contains 5% Sodium Hypochlorite

When stored upright in original sealed container shelf life is 12 months. Ensure tops are secured and do not leak.

DO NOT MIX WITH OTHER PRODUCTS. May release toxic gas (chlorine). Irritating to eyes, respiratory system and skin. Wear suitable gloves and eye/face protection.

Safety: Keep out of the reach of children

INHALATION: Unlikely route of exposure as the product does not contain volatile substances.

INGESTION: Immediately rinse mouth and provide fresh air. **DO NOT INDUCE VOMITING. NEVER MAKE AN UNCONSCIOUS PERSON VOMIT OR DRINK FLUIDS!** Consult a physician for specific advice.

SKIN CONTACT: Remove contaminated clothes and rinse skin thoroughly with water. Get medical attention if irritation persists after washing.

EYE CONTACT: Promptly wash eyes with plenty of water while lifting the eye lids. Continue to rinse for at least 15 minutes and seek medical advice.
