## TECHNICAL DATA SHEET

### HEAVY DUTY EXTRACTION SHAMPOO – 0509

Specially formulated for fast and effective removal of heavy soiling in carpets using any make of hot water extraction machine. Able to suspend typical winter soiling for easy extraction. Also suitable for pre-spraying and spot cleaning of very heavily soiled areas. Low foam and pleasant fragrance.

- ❖ Rapid dirt removal.
- ❖ Compatible with all makes of hot/cold water extraction machines.
- ❖ Low foam for ease of pick up.
- ❖ Pleasantly perfumed and no unpleasant after odour.

#### USES:

Fast acting for high soiling in heavy traffic areas. Developed to rapidly cut through grease and heavy soiling, able to suspend typical winter soiling for easy machine extraction.

#### DIRECTIONS:

Dilute 1 part to 40 parts hot/cold water (to machine specification). Ensure detergent spray is not blocked and suction recovery is functioning correctly. Spray and pick up in accordance with machine manufacturer's recommendations. Ensure that as much liquid as possible is extracted from the carpet to speed up drying. For general pre-spraying, dilute 1 part to 10 parts water. For heavily soiled areas, pre-spray with 1 part to 4 parts warm water then use extraction cleaner as normal.

***N.B:*** Test a small, inconspicuous area of the carpet for colour fastness before commencing cleaning.

#### TECHNICAL SPECIFICATION:

**Composition:** A blend of non-ionic surfactants, alkaline builders, sequestrants and water soluble perfumes.

**Appearance:** Clear liquid

**Colour:** Blue

**Density:** 1.075

**Fragrance:** Lemon

**Stability:** Two years in unopened containers at ambient temperatures.

**Safety:** Keep out of the reach of children.

Irritating to skin. Risk of serious damage to eyes. In case of contact with eyes, rinse immediately with plenty of water and seek medical advice. Wear suitable gloves and eye/face protection. If swallowed, seek medical advice immediately and show the container or label.
