Cleaning and Hygiene Products That Don't Cost the Earth

TECHNICAL DATA SHEET

HEAVY DUTY DEGREASER – 06005

Specially formulated to emulsify animal fats, blood and protein with ease. Contains effective detergents for soil penetration and requires no excessive rinsing. Non-tainting and aluminium safe. Ideal for all food plant and may be used through mechanical floor scrubber machines.

- ❖ Emulsifies animal fats, grease, blood and protein with ease.
- ❖ Contains effective detergents for soil penetration.
- ❖ Non-tainting, ideal food plant cleaner.
- ❖ Aluminium safe. Controlled foam – no excessive rinsing.

USES:

Suitable for floors, walls, drains, gullies and canopies in kitchens, bakeries, restaurants, hospitals and the meat processing and food manufacturing industry.

Will not taint food stuffs and may be used through mechanical floor scrubber machines.

DIRECTIONS:

Floors: Sweep floor and remove all loose soiling. Apply 1 part to 40 parts water and apply by mop. Agitate the solution to penetrate the soiling before cleaning and rinsing off using warm water.

Work Surfaces and Walls: Remove all food products to prevent contamination. Remove any loose soiling. Apply solution at the required dilution with a cloth, sponge or scouring pad. Rinse thoroughly with warm water and leave to air dry.

Deep Fat Fryers: Turn off power and allow to cool. Drain oil and remove sediment. Fill fryer with 1 part to 20 parts dilution. Heat solution for 10-12 minutes. **DO NOT BOIL.** Drain and rinse with clean water and wipe dry.

TECHNICAL SPECIFICATION:

Composition: A blend of non-ionic and anionic surfactants, chelating agents and solubilising additives.

Appearance: Clear liquid

Colour: Orange

Cloud Point: >60

Density: 1.055

pH: 12.5

Fragrance: Unfragranced

Stability: Two years in unopened containers

Safety: **Keep out of the reach of children.**

Irritating to eyes and skin. In case of contact with eyes, rinse immediately with plenty of water and seek medical advice. Wear suitable protective clothing, gloves and eye/face protection. If swallowed, seek medical advice immediately and show the container or label.
