## TECHNICAL DATA SHEET

### OFFICE SANITISING WIPES – 06062

For use in offices and all food preparation areas and for the wiping of food probes.

- ❖ Food safe
- ❖ Non tainting
- ❖ Active against a wide range of micro-organisms
- ❖ Tested to EN13697, RN1276, EN13704, EN1650

#### USES:

100 large wipes to clean, freshen and disinfect a range of surfaces. Suitable for use in food preparation areas. Proven effective against against a wide range of micro-organisms.

#### DIRECTIONS:

Remove the product lid and feed the wipe from the centre of the roll through the wipe dispensing cap. Replace the lid and tear wipes at perforations sharply at an angle.

Always close the lid to avoid drying out.

#### TECHNICAL SPECIFICATION:

Appearance	Disposable sheets impregnated with colourless liquid
Odour	Characteristic
Evaporation rate	Slow

**Safety: Keep out of the reach of children.**

**Highly flammable liquid and vapour. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking.**

**Causes skin irritation. Causes serious eye irritation.**

Protect eyes from contact. In case of eye contact, rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do so. Continue rinsing if irritation persists and seek medical advice.
