Cleaning and Hygiene Products That Don't Cost the Earth

TECHNICAL DATA SHEET

LEMON FLOOR JELL – 1109

Advanced lemon fragrance floor jell.

- ❖ Made from natural citrus oils and vegetable oil derived emulsifiers to be environmentally friendly.
- ❖ Ideal damp mopping solutions for all surfaces.
- ❖ Economical maintenance for polished floors – will not remove or dull polish film at recommended dilution.
- ❖ Readily burnished to a slip resistant shine.
- ❖ Perfect for spray cleaning – removes dirt and heel marks with ease.

USES:

For the regular cleaning and maintenance of linoleum, PVC, rubber, sealed cork, sealed wood, terrazzo and thermoplastic floors.

N.B: Do not use on unsealed wood and cork.

DIRECTIONS:

For General Mopping: Dilute 1 part product to 100 parts hot water. Mop, allow to dry and burnish (if required) to improve the shine.

For Spray Burnishing: Dilute 1 part product to 50 parts water. Spray lightly ahead of machine fitted with appropriate nylon pad.

Please Note: For maximum floor life, we would recommend that floors are polished with Super High Solids Metallised Floor Polish or Low Maintenance Wet Look Floor Polish prior to regular maintenance with Lemon Floor Jell.

TECHNICAL SPECIFICATION:

Composition: An aqueous blend of polyethylene wax emulsions, detergents, perfume and dye.

Appearance: Opaque jell

Colour: Fluorescent yellow

Viscosity: Pourable jell

Density: 1.000

pH: 6.5

Fragrance: Lemon

Stability: Two years in unopened containers at ambient temperatures

Safety: Keep out of the reach of children.

Safety data sheet available for professional user on request.
