## TECHNICAL DATA SHEET

### FABRIC AND CARPET CLEANER - 1171

Highly concentrated for heavy duty fabric and carpet cleaning.  
Pleasantly perfumed, easy to use and very effective.

- ❖ Can be used neat as a pre-spotter before the extraction process
- ❖ Reodourises as it cleans

#### USES:

For use on carpets and upholstery. May be used neat as a pre-spotter before the extraction process.

**Do not use on sensitive fabrics such as wool and leather.**

Spot test on a small hidden area for colour fastness before cleaning commences. This product is for periodic professional cleaning only and is not suitable for frequent routine cleaning. Over-concentration or incorrect cleaning treatment could cause damage.

#### DIRECTIONS:

Solution should be used in accordance with the machine manufacturer's instruction

Normal dilution is 1 part to 80 parts warm water (approx. 120 ml to one bucket of hot water (6 to 8 litres))

#### TECHNICAL SPECIFICATION:

An aqueous blend of surfactants, solvents, pH modifiers and a reodouriser

Appearance	Clear thin liquid
Colour	Blue
Fragrance	Lemon
pH	12.5
Relative density	1.045
Boiling point	Not specified
Water solubility	Soluble
Stability	2 years

Irritation to eyes and skin. Wear suitable gloves and eye/face protection.

**Safety: Keep out of the reach of children.**

If swallowed do not induce vomiting. Seek medical attention immediately and show this label.

In case of contact with eyes rinse immediately with plenty of cold water and seek medical advice.

After contact with skin, wash immediately with plenty of water.
